

ENGLISH DEACON CANDIDATE

CHRIS JANSEN CHUA

1. How did you become a believer in Jesus Christ?

I was exposed to the name 'Jesus', but never believed in Him, let alone put my trust in Him. All throughout my adult years, I've been continuously searching for something to satisfy my selfish desires. Nothing I found was fulfilling, but things changes when I was invited to a gospel message on April 21, 2019.

During that conference, I heard a message with the phrase that says 'he who has the Son, has everything.' I actually had a wrong and selfish motive then, wanting to have this 'everything'. I was thinking that this was something tangible and experiential, but God had a different plan. Little did I know that the moment I went seeking for this 'everything', was the moment when God called my name and brought me down to my knees. At the moment, when I had nothing left, I finally said 'Yes' to Him. And the moment I said 'Yes', that's when I received 'everything'. That was the moment I received Jesus and was made His own.

2. What made you decide to accept the nomination to be an elder or a deacon candidate?

From the moment I put my trust in Jesus up until now, my heart continues to thirst for Him. The way am understanding it, if He gives me an opportunity to serve, such as deaconship, and if this is how He wants to use me, shape me, and make Himself known to others, then at the end of the day, I will say Yes to it.
