

## **ENGLISH DEACON CANDIDATE**

# **JHAN ALEXANDER LIMHANCHIONG**

### **1. How did you become a believer in Jesus Christ?**

I grew up attending a Christian School, went to Sunday School, and joined both VBS hosted every summer by church and school. I learned about the Bible, the different books in it, heard the stories and characters within it, and the salvation God extends to us through His son Jesus Christ. I followed what I was taught, and did what I was told and what I thought was expected of me. There were occasions where we were asked if we would believe and accept Jesus as our Lord and Saviour, I said yes. My response was honest and I truly believed but it wasn't until high school that it really became alive for me. It was also the same time that I decided to get baptized which really began my spiritual journey.

### **2. What made you decide to accept the nomination to be an elder or a deacon candidate?**

Ever since I was first asked to be a deacon candidate I've had my reservations on accepting because of the responsibilities it entails. To be honest, I was very much comfortable serving in the music ministry and serving in other ways that I wasn't particularly keen on officially accepting a different role. Perhaps it could've been the uncertainty of diving into uncharted waters so to speak, but I've been praying about it for some time. I've realized in my devotions that the Lord is the maker of Heaven and Earth, the works of his hands are all around us, and he provides our every need. Now is the time to join in the chorus of God's symphony. Another way to praise God using the gifts he gave us.
