

DAWN FOR THE POOR **God's work in the Philippines**

From despair to hope, weakness to strength, fear to empowerment.

Come hear about how God is transforming lives among the Filipino urban poor.

Speaker: Pastor Fred Dugganon grew up in the slums of Manila, amidst poverty, loss and spiritual oppression. A radical transformation changed his life from being a Shaman to a follower of Christ. Today he is the executive director of Dawn for the Poor, a ministry that reaches out to the poor in Manila and beyond. He mentors pastors and leaders in ministry, community work and missions.

Fred is author of *A Journey of the Poor*, in which he brings to light the secret behind developing a holistic, God-centred ministry that empowers the poor to share Christ with their communities.
